

## Clare Youth Service Summer Programme 2010

This year's Clare Youth Service Summer Programme offers active and creative fun to young people aged 8 to 13 years in Ennis. Each day promises action, excitement, new experiences and a chance to make some new friends in a safe environment.

### Volunteers

The camp also offers leadership opportunities and skills development to volunteers age 17 and over. Past experience has shown that the Summer Programme is a richly rewarding experience for both participants and young volunteers, as well as being a great community resource.
