**Community Training Centre** offers foundation level education & training in various skilled areas.

It encourages young people aged 16 years - 25 years to sample different technical skilled areas, personal development, leisure & recreation, maths, IT, communications and work experience.

The programmes offer life-long learning and encourages development that leads to further education, training & employment.

All courses lead to FETAC Certification.

FETAC Certification is a nationally recognised qualification that offers many levels of education. At the Community Training Centre we offer courses in Level 3 FETAC and some Level 4 FETAC. A full Level 3 FETAC qualification is equivalent to the Junior Certificate qualification, while a full Level 4 qualification is recognised as the equivalent of a Leaving Certificate qualification.

In order to achieve a FETAC Level 3 qualification, participants will need to complete 8 modules, 3 compulsory and 5 electives.

## Compulsory Modules

- Mathematics
- Communications
- Personal Effectiveness/  
Personal & interpersonal skills

- Craft Woodwork
- Craft Upholstery
- Craft Pyrography
- Engineering Work Process
- Computer Literacy
- Food Preparation
- Food & Nutrition
- Health Related Fitness
- Preparation for Work

FETAC allows you to learn at your own pace, there are no structured examinations or tests. It is a course that is both practical and achievable. A FETAC qualification will equip you with skills that you will find usefull in many different work places and can be a route to further training and education opportunities (e.g. Leaving Certificate Applied)
