

Clare Youth Service Summer Programme 2008

This year's Clare Youth Service Summer Programmes offers active and creative fun to young people aged 9 to 13 years in Ennis and Shannon. Each day promises action, excitement, new experiences and a chance to make some new friends in a safe environment.

The camps also offer leadership opportunities and skills development to volunteers age 17 and over. Past experience has shown that the summer Programme is a richly rewarding experience for both participants and young volunteers, as well as being a great community resource.
