Story So Far:

The Kick-Back Café is a Youth Café for 16-21 year olds planned and designed by a similar age group. The café took a year to develop and was officially launched on 20th January 2007.

Kick Back Concept

The idea for the Kick Back Café came from a survey of young people in Shannon Secondary Schools, which highlighted the need for a safe place for young people to hang out in the evening time with their friends.

The Shannon youth workers, local volunteers and young people worked together to design a space in Shannon that would be:

- Open to all young people aged 16-21.
- Where young people are listened to and respected.
- Where there is always a positive atmosphere.
- Where young people can come and go.
- Where the young people have ownership of the project.
- Where there is games and fun.

At The KBC

Our Local Volunteers are pleased to serve a selection of plain & toasted sandwiches, any coffee you like, Tea of course + our most popular beverage pink lemonade.
